I confirm that the above information is true and valid to the best of my knowledge and is subject to verification. I am aware that any fraudulent statements made in this application are legal grounds for denial of services.

Completion of this application does not automatically make a household eligible to receive services. Availability of services are based on donations received and income qualification. The intent of this project is to provide children in need with school supplies and a back pack. A letter stating distribution days and times will be sent out to those households that will receive services, a denial letter to those not approved. The letter must be brought with you and turned in to PARS during distribution day to receive school supplies and a back pack. There will be specific distribution days and details will be included in the letter. Items not picked up during distribution days will be given to another family on our waiting list.
